## Newsletter

### Have you let us know your thoughts on Broadband?

OCEC emailed a survey to all members with a valid email on their account on December 16th. This survey will help us gather information from you, our members, on your current level of internet service, your interest in a new higher speed broadband internet service, and other related topics. A link to the survey is also available on our website [www.ocec.coop](http://www.ocec.coop). The survey will close on January 21st. We look forward to hearing from our membership on this topic.

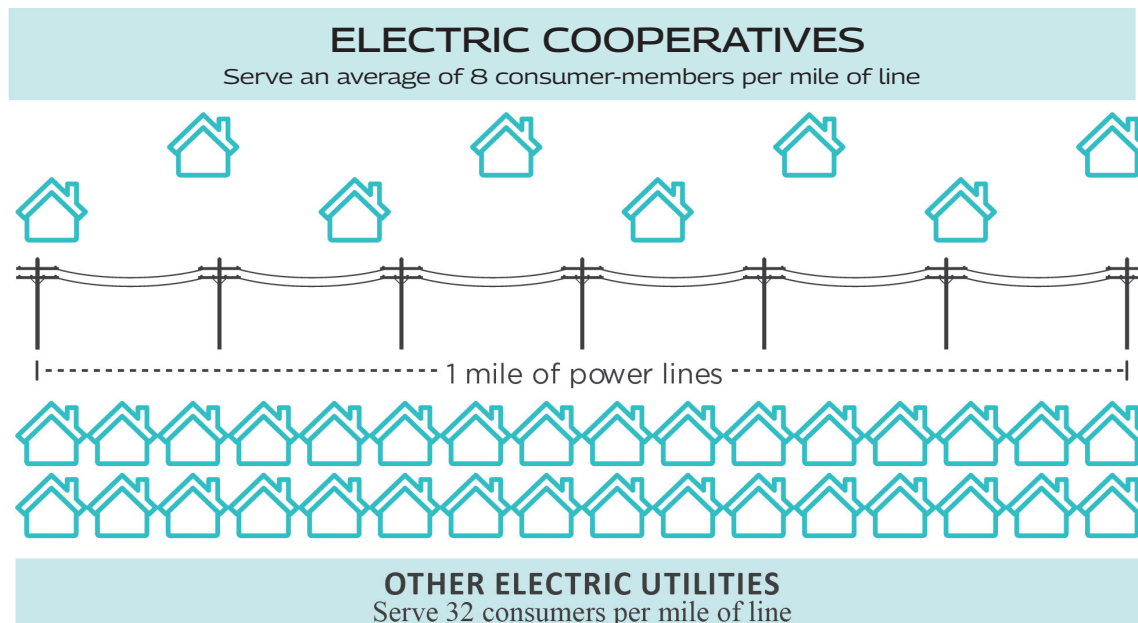

### Laundry Tips

1. Wash with cold water. Try a cold-water detergent for a brilliant clean!
2. Wash full loads when possible.
3. Dry heavier cottons separately.
4. Use wool or rubber dryer balls to keep clothes separated for faster drying.
5. Clean the lint filter after each drying cycle.

### Going The Extra Mile

Electric co-ops maintain more miles of power lines per consumer than other electric utilities. Even though we power fewer consumers on our lines compared to other utilities, we'll always go the extra mile for you, the consumer-members we proudly serve.

# Unclaimed Capital Credits

Okanogan County Electric Cooperative, Inc (OCEC) is refunding capital credits to active and inactive members. Capital credits are the margins - the money left after expenses are paid - that are to be refunded to our members.

Listed below are members for whom we have no current address. If you are on this list, or know the address of anyone on the list, please contact:
