## HOLD HARMLESS AGREEMENT – TEMP DISCONNECT

With the understanding that according to chapter 19.28 RCW that an electrical work permit is required for the work that I am performing and that it is currently displayed.

I am a licensed Electrician and wish to have this service reconnected by Okanogan County Electric Cooperative (OCEC). I understand that I am solely responsible for any damage or hazards which may result from being reconnected to OCEC's system and hold Okanogan County Electric Cooperative harmless. I further understand it is my responsibility to request an L&I inspection within 24 hours of this service being re-energized.
